PROFILE

Hardworking College Student seeking employment, with excellent frontend web development skills. As a passionate and dedicated individual with a strong interest in frontend development, I have honed my skills through self-study and personal projects. I am eager to contribute my skills and dedication to a dynamic team and make a positive impact in the field of frontend development.

EDUCATION

12th, N.K Public Senior Secondary School   Jaipur
July 2019 - March 2020

BCA, University of Maharaja College   Jaipur
Aug 2020 - June 2023

PROJECTS

Personal Portfolio Website

As a frontend web developer, I have designed and developed a personal portfolio website to showcase my skills, projects, and achievements.
.

College Fest Website

I am proud to have designed and developed a website for my college's fest, showcasing my skills.

React Based Netflix Clone

I am excited to showcase my expertise as a frontend web developer through a React-based Netflix clone website that I have designed and developed.

QR Generator

Presenting a sleek design QR Generator website to showcase my UI skills & enabling users to encode text into QR.
